### **APWU Web News Article 098-2013, Aug. 16, 2013**

The USPS has notified the APWU that it failed to complete back-pay adjustments for PSE overtime hours, which were expected in Pay Period 17. The adjustments will be made in Pay Period 19, management says.

The adjustments are being made because the Department of Labor found that the USPS was paying PSEs for overtime at the wrong rate prior to Pay Period 14. For background, [click here](#).
