

Protect Our  
*Public* Postal Service

Attention Oakland Postal Workers from **ALL CRAFTS**.

In its continuing attack on postal workers and on the public service, the U.S. Postal Service has cut a deal with Staples to provide postal services at staples stores. Postal jobs must be maintained as good jobs that pay a living wage. Visit [WWW.STOPSTAPLES.COM](http://WWW.STOPSTAPLES.COM) or text POSTAL to 91990 to learn more and get involved.

It is time for all Postal Workers to stand up and demand that the USPS stop its plan to privatize our Postal Service and its attack on unionized workers. The real power of the union comes from the members. We are the union! **Join us at the protests below:**
