

PSE CAREER OPPORTUNITY UPDATE

December 14, 2018

PSE Members:

I have been advised by In-Plant-Support that all previously unassigned regular clerks have been assigned to a duty assignment, and that there are 16 residual vacancies. Accordingly, the Oakland Local APWU will be working diligently to get PSEs converted to career status as soon as possible, and to have the conversions effectuated in compliance with the Collective Bargaining Agreement (CBA) with an accurate PSE seniority list.
